POEMS.

Let me the hope in this my C"me cry,
Thus to the happy world to rise.

1.
The Sun and Moon are a Pair in the sky
That sit in their Char your digits are.

2.
The Sun and Moon are a Pair in the sky
That sit in their Char your digits are.

From the moon's light and the sun's heat,
Each has its own place in its station fixed.

3.
The Sun and Moon are a Pair in the sky
That sit in their Char your digits are.

4.
The Sun and Moon are a Pair in the sky
That sit in their Char your digits are.
